

Grippe and Pneumonia.
Pneumonia often follows LaGrippe. It follows the use of Foley's Honey and Tar. It cures La Grippe and prevents pneumonia and cough. Ask for Foley's Honey and Tar and refuse any substitute offered. Vacher, of 157 Osceola St., writes, "My wife had a severe La Grippe three years ago, and it was with a terrible cough. She tried Foley's Honey and Tar and it gave her immediate relief. A 50 cent bottle cured her cough entirely. Refuse substitutes. Sold by Ed Greene."

The Best Cough Syrup.
L. Apple, ex Probate Judge, Co., Kansas, writes: "This is that I have used Ballard's Honey Syrup for years, and that I do not hesitate to recommend it as the best cough syrup I have ever used." 25c, and \$1.00. Sold by Ed Greene.

Failed.
Efforts have failed to find a better remedy for coughs, colds and lung troubles than Foley's Honey and Tar. It cures the cough, heals the lungs and prevents serious results from a cold. J. Patterson, Nashua, Iowa, writes: "Last winter I had a bad cold on my chest and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the best cough and lung medicine in the market." Sold by Ed Greene.

Frightfully Burned.
W. Moore, a machinist, of Ford Pa., had his hand frightfully burned by an electrical furnace. He applied Chamberlain's Arnica Salve with the usual result: "a quick and perfect cure." Best healer on earth for Burns, Scalds, Sores, Eczema and Piles. 25c. Sold by Ed Greene's druggist.

Startling but True.
People the world over were horrified at the burning of a Chicago factory in which nearly six hundred people lost their lives, yet more than 3,000 times this number or over 3,000 people died from pneumonia during the year, with scarcely a passing notice. In any one of these cases of pneumonia, death could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have warded it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it saved my daughter, Laura, of a severe cold, and I believe saved her life when she was threatened with pneumonia." D. Wilcox, Logan, New York. Sold by Ed Greene and all druggists.

A. C. L. Change of Route.
As a matter of information I beg to advise that commencing April 15th the route of our trains 78 and 89 between Petersburg and Jacksonville will be changed. Instead of moving via Leesburg, Ocala, Melle and Palatka, as at present, they will move via Leesburg, Ocala, Melle, Gainesville, Alachua and our Jacksonville-Newberry Division. This gives better service to Gainesville, Alachua and other points in that section than we have heretofore had. J. G. Kirkland, Division Passenger Agent, Tampa, Fla.

Gives Health, Vigor and Tone.
Serravallo's Tonic is a boon for sufferers from anemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is restored. The languor is diminished, health, vigor and tone predominate, new life and happy activity results. Belle H. Striel, Middletown, Conn., writes, "I have been troubled with nervous complaint and poor blood, and have found nothing to benefit me like Serravallo's Tonic. I hope never to be without it. I have wished that I had known of it in my husband's life time." 50c. Sold by Ed Greene.

Kidney trouble is an insidious danger, and many people are victims of a serious malady before the symptoms are recognized. Foley's Kidney Cure corrects irregularities and strengthens and builds up the kidneys, and it should be taken at the first indication of kidney trouble, as it is impossible to have good health if the kidneys are deranged.
